## **HOW TO PLACE AN ORDER**

**1. CALL** us at 216-631-5309, 10am-4pm (Eastern Time) Monday–Thursday.  
(On occasion, we may not always be available to answer the phone but please leave a message. We'll call back as soon as possible!)

**2. FAX** your order 24/7 to 1-800-286-0941. Please be sure to include your name and “street” address (no P.O. Boxes), phone no., e-mail address, credit card no., validation code, and expiration date.

To find your credit card validation code, go [here](http://www.homesteadfinishingproducts.com/htdocs/validation_codes.htm) [http://www.homesteadfinishingproducts.com/htdocs/validation\\_codes.htm](http://www.homesteadfinishingproducts.com/htdocs/validation_codes.htm)

**3. MAIL** your order, along with a check, money order or cashier's check, or credit card no., street address, and phone number to: Homestead Finishing Products, P.O. Box 360275, Cleveland, OH 44136-0005

To inquire on the status of an existing order, e-mail [susan@homesteadfinishingproducts.com](mailto:susan@homesteadfinishingproducts.com)

**If mailing a “check”, a money order or cashier's check will insure the fastest processing of order. For personal checks, please allow 5 business days for check to clear.**

**INTERNATIONAL / CANADIAN CUSTOMERS:** Homestead ships to United States addresses only. Credit Cards issued by foreign banks (excludes Canada only) cannot be processed.

VISA, MASTERCARD, AMERICAN EXPRESS, DISCOVER accepted
---

UPS FREIGHT AND HANDLING CHARGES (48 contiguous States only)

Effective January 1, 2015, UPS is now calculating their ship charges with new criteria which is in addition to their annual freight increase. Many more carton sizes are now subject to “dimensional weight” charges. As a result of this, many boxes will be more costly to ship. This new factor makes it very difficult to post pre-determined, “generic” UPS freight costs that are based solely on “dollar” amount as we have done in the past.

The freight carriers we use are UPS (Ground, Air Services, UPS Surepost) and US Postal. Please be assured, we will use the most economical method of freight that's appropriate for your order. Please feel free to contact before placing your order for a specific freight quote based on products you want to order and the destination address.

**Ohio residents only – add 8.00% Sales Tax to the merchandise & freight cost total \*\*\***

**\*\*NOTE:** Shipments containing gallon size products (or quarts & pints with an aggregate total of 128 oz. + ), or an oversize carton (as defined by UPS), or multiple cartons, may incur higher freight costs which are assessed on carton weight & distance shipped. Any order totaling \$200 or more may require a signature on delivery.

**BACKORDERS:** No backorders taken on out-of-stock items. However, if a backorder is requested, we will ship backorder product with the SHIPPING rates applied.

**RETURNS:** Returns or exchanges accepted on items (except spray guns/equipment & accessories) received by us within 30 days of your receipt of goods. Items returned must be received in original, unused condition & a copy of the original order receipt.

**DELIVERY INFO:** Any carton with order goods that is refused at time of delivery (unless carton is damaged), or that is not signed for by customer if a delivery signature is required, or that is not picked up by customer if held at UPS or U.S. Postal Service will be charged a 10% product restocking fee when carrier returns item back to us.

**CUSTOM PRODUCTS:** “Custom” tints of our finishes, stains, and paints or any other products that are customized or that are a “special order” or “non-stock” items are not returnable.

**RETURN POLICY FOR SPRAY EQUIPMENT: Please call or email us for a return authorization.** Spray equipment and accessories can only be accepted for return within **10 days** of receipt of items. Returned goods must be packaged properly in original, unused condition and must include all components that originally came with the item/s. (All returns will be inspected for damages and missing components). **NOTE: All spray guns, cups/pots, turbine systems, air mixers, & filter systems accepted for return will be charged a 20% restocking fee.** Other spray “accessories” such as needle/nozzle sets, liners, gaskets, spray hoses, 3M PPS items, etc. will only be accepted for return if unopened with the original manufacturer’s packaging intact. Returned goods must be shipped/postmarked within 10 days of the date that customer originally received items. Please include a copy of the original order receipt with items being returned clearly indicated. Freight charges are not refundable. Products that have been customized (i.e. custom hose lengths) or “special order” items are not returnable.

- #2026 – 3” waterbase finish Taklon brush.....\$32.10
  
- #2027 – Buy all 4 sizes and save 15%.....\$84.50

## French Polishing Supplies

Lint free padding cloth can be used for the padding shellac technique. It also is used as the inner absorbent cloth in traditional French Polishing. Cheesecloth can be substituted. Our padding cloth is very clean and practically lint free. Sold on a perforated 1.6 pound roll, it tears off in 16” pieces so you can use only what you need. Also nice for applying water based stains and finishes and polishing and waxing. Use the cover cloth for the outer cloth in French Polishing. 4F pumice is used in the filling process. Rottenstone is used by some to fill the grain and to remove the oil and bring up gloss at the end.

- #1139R – Lint free padding cloth per roll.....\$29.50
- #1140 – Cheesecloth 4 yd package.....\$3.50
- #1132 – Cover cloth per sq yd.....\$4.95
- #3021 – 4F Pumice per lb .....\$7.50
- #3023 – Rottenstone per lb.....\$7.50

## Furniture Powders (Behlen – Dry Pigments)

Behlen furniture powders are finely ground dry pigments. Primarily used in touch up applications and restoration, they also are used to add color to just about anything. Because they are binder and solvent free, they are compatible with anything, including glues.

ALL COLORS \$8.99

- #370001 – Mahogany 1 oz.....\$8.99
- #370003 – Light Walnut 1 oz.....\$8.99
- #370004 – Extra Dark Walnut 1 oz.....\$8.99

- #370878 – Van Dyke Brown 1 oz.....\$8.99
- #370892 – Maple 1 oz.....\$8.99

## Gel Stains

### General Finishes Oil Based Gel Stain

**NOTE:** General Oil-based finishes are subject to VOC restrictions and may not be shipped to certain areas.

General Finishes Gel Stains replace the popular Bartley Stains we used to sell. Oil Stains are thinner stains and can be sprayed. Gel stains are better for “layering” color or building applications while penetrating stains are not.

## Gel Stains

- GF-GSAW – Antique Walnut Qt.....\$25.00

**General Oil-based Finishes**

**NOTE:** General Oil-based finishes are subject to VOC restrictions and may not be shipped to certain areas.

Bring out all the beauty of you project with these fine oils. Can be applied by brush or rag. The SealACell makes a great natural looking finish by itself, or use as a sealer. ArmRSeal is a blend of urethane and oils for a more protective topcoat.

- #GF-SAC32 – SealACell Clear Quart.....\$21.95
- #GF-ARS32G – ArmRSeal Gloss Qt.....\$21.95
- #GF-ARS32S – ArmRSeal Satin Qt.....\$21.95
- #GF-GFS32 – Gel Topcoat Quart.....\$25.00

## Glazing Products

### Oil Based

The traditional oil glaze. Moderate consistency like heavy cream – can be sprayed or wiped. Use the clear for making custom colors with Japan Colors or Mixol.

- #4450 – Behlen Van Dyke Brown Quart.....\$28.95
- #4454 – Behlen Burnt Umber Quart.....\$28.95
- #4452 – Behlen Black Quart.....\$28.95

**New 1/2009** – glazing has never been so easy! Just point the aerosol can where you want the glaze and wipe the excess.

- #7900 – Behlen Aerosol Van Dyke Brown.....\$10.50

### General Finishes Glaze Effects

A thick waterborne glaze for special effects.

- #GF-GE32CL – Glaze Clear Quart.....\$23.33
- #GF-GE-28CL – Glaze Clear Gallon.....\$56.67
- #GF-GE-32VDB – Glaze Van Dyke Brn Qt.....\$23.33
- #GF-GE28VDB – Glaze Van Dyke Brn Gallon...\$56.67
- #GF-GE32ST – Glaze Standard Quart.....\$25.00
- #GF-GE28ST – Glaze Standard Gallon.....\$59.00

### **Standard Glaze Colors**

White	Black
Burnt Umber	Raw Umber
Burnt Sienna	Raw Sienna

## Hide Glue

The traditional hide glue is made from granules and water. The product we buy is made by Milligan & Higgins, the only manufacturer left in this country.

Urea is added to slow down the gel time in cold and dry weather.

- #2080 – Ground Hide Glue lb.....\$16.25
- #2035 – Urea gel suppressant per 4 oz. ....\$7.95

## Glu-Siz

While not really a glue, Glu-Siz is used as a stain controller for solvent based stains and dyes (no waterborne products). It comes as a concentrate which is mixed 1:1 with water for typical applications and applied to the sanded surface by wiping. After drying the wood is sanded with 320 lightly to smooth surface.

- #1088 – Glu Siz Pint.....\$6.50

## Jars & Bottles

### Graduated Beakers

Plastic beakers measuring small amounts of liquids.  
Perfect for TransTints.

#7375 50ml (1.7 oz, pkg/10).....	\$4.95
#7376 3 oz (pkg/5).....	\$3.15
#7377 20 oz (pkg/3).....	\$6.35

**Polyethylene Jars**

#1020 2 oz.....	ea. \$ .95
.....	10+ \$ .85
#1023 8 oz.....	ea. \$1.65
.....	10+ \$1.55
#1025 16 oz.....	ea. \$2.25
.....	10+ \$2.15
#1044 44 oz.....	ea. \$3.00

**Flip-Top Poly Bottles**

#5204 – 4 oz pkg/4.....	\$4.50
#5208 – 8 oz pkg/4.....	\$6.05

**Squeeze Bottles**

#1015 2 oz.....	ea. \$1.25
.....	10+ \$1.05
#1013 16 oz.....	ea. \$3.60
.....	10+ \$3.50

**Behlen Lacquer – Solvent Based**

What we've used in our own shop for decades. A very premium quality nitrocellulose lacquer. Always use one

of the two sealers first. Using vinyl sealer makes the finish more water resistant. Otherwise standard sanding sealer is fine for most applications. For best results use the Behlen reducer.

**Behlen Spray Lacquer**

#6316 – Lacquer Gloss Quart.....	\$19.50
#6317 – Lacquer Satin Quart.....	\$19.50
#6321 – Sanding Sealer Quart.....	\$17.75
#6322 – Vinyl Sealer Quart.....	\$18.95

**Behlen Stringed Instrument Lacquer**

This spray lacquer is designed to be more flexible to accommodate the expansion/contraction of stringed wooden instruments. Remains flexible yet polishes well. Use only the vinyl sealer under this product. Thin with Lacquer Reducer.

#6415 – Instrument Lacquer Gloss Quart.....	\$22.00
---	---------

**Behlen Lacquer Additives**

Lacquer retarder is used in hot and humid conditions to eliminate blushing. Fisheye Flow-out “Smoothie” is a silicone-based additive designed to eliminate fish-eye cratering from silicone contamination. Lacquer Reducer is a balanced blend of solvents for reducing viscosity for spraying.

#6320 – Lacquer Reducer Quart.....	\$18.50
#6323 – Lacquer Retarder Quart.....	\$16.95
#6200 – Fish-eye Flow-out Smoothie.....	\$12.00
#6201 – Lacquer Flattener Quart.....	\$18.99

**Behlen Aerosol Lacquer**

These handy aerosols are great for those small projects or when you don't have spray equipment. For new wood finishing use the sanding sealer first. Great product for turners!

#6400 – Aerosol Topcoat Lacquer Gloss .....	\$7.50
#6401 – Aerosol Topcoat Lacquer Satin .....	\$7.50
#6411 – Aerosol Lacquer Sanding Sealer.....	\$7.50

**Liberon Items**

**Liberon Steel Wool**

A very premium grade steel wool that resists shedding and is made with a minimal amount of oil.

- #LIB4X-100 – 100 gram roll 0000 grade .....\$7.95
- #LIB4X-250 – 250 gram roll 0000 grade .....\$12.50
- #LIB4X-1K – 1000 gram roll 0000 grade .....\$39.90
- #LIB-2X-250 – 250 gram 00 grade .....\$12.50

**Liberon Retouch Crayons**

- #LIB-161SS – tin of 10 colors.....\$32.95

**Mixol Set – 20ml Bottles**

13 assorted colors (20ml) packaged in a clear round jar, this set is perfect for touch-up work. Very handy.

- #MX13KIT.....\$59.95

**Oil Stains & Finishes**

**General Finishes Oil Based Stains**

**NOTE:** General Oil-based finishes are subject to VOC restrictions and may not be shipped to certain areas.

General Finishes Gel Stains replace the popular Bartley Stains we used to sell. Oil Stains are thinner stains and can be sprayed. Gel stains are better for “layering” color or building applications while penetrating stains are not.

**Gel Stains**

- GF-GSAW – Antique Walnut Qt.....\$25.00
- GF-GSAO – American Oak Qt.....\$25.00
- GF-GSBM – Brown Mahogany Qt.....\$25.00
- GF-GSCL – Candlelite Qt.....\$25.00
- GF-GSCM – Colonial Maple Qt.....\$25.00
- GF-GSGC – Georgian Cherry Qt.....\$25.00
- GF-GSGP – Golden Pine Qt.....\$25.00
- GF-GSJV – Java Qt.....\$25.00
- GF-GSNP – New Pine Qt.....\$25.00
- GF-GSNM – Nutmeg Qt.....\$25.00
- GF-GSPW – Prairie Wheat Qt.....\$25.00

**General Finishes Oil Finishes**

**NOTE:** General Oil-based finishes are subject to VOC restrictions and may not be shipped to certain areas.

General Finishes SealACell and ArmRSeal oil based finishes are easy to apply finishes for the discriminating craftsman. These products produce a rich amber finish.

**SealACell Clear Sealer/Finish**

This product can be used by itself for a warm natural look or as a sealer before ArmRSeal.

- #GF-SAC32 – Clear Finish Quart.....\$21.95

**ArmRSeal Finish**

This product can be used by itself or over the SealACell Sealer. Higher solids content means better build than the sealer and more protection.

- #GF-ARS32G – Gloss Finish Quart.....\$21.95
- #GF-ARS32S – Satin Finish Quart.....\$21.95

**Gel Topcoat Wipe-On Urethane**

Gel Topcoat has a high content of urethane for more protection. Gel Topcoat is available in satin only. For semi-gloss or gloss sheens, use Arm-R-Seal Topcoat.

- #GF-GFS32 – Satin Finish Quart.....\$25.00

**Paste Wood Filler**

**Oil Based Filler**

Behlen Pore O Pac has been a shop staple for decades. Based upon the traditional linseed based formula – this filler will fill grain and bring life to any open-grained wood. Mahogany is a burnt umber type color and Medium Brown Walnut is a darker and cooler brown. The product is thicker than what it used to be years ago so you may want to pick up the reducer which makes the filler more workable. Seasoned paste filler users may not need it. The natural is for when you want to make your own custom color and use Japan Colors for tinting.

- #2051 – Natural Pore O Pac qt.....\$30.95
- #2052 – Mahogany Pore O Pac qt.....\$30.95
- #2053 – Med. Brown Walnut Pore O Pac qt.....\$30.95
- #2054 – Pore O Pac Reducer qt.....\$23.95

**Water Based Filler**

Water based filler dries faster and can be used with any finish. Crystalac dries transparent and will not add any color. Crystalac can be applied to bare wood or over sealed wood and the excess sanded when dry.

**Aquacoat Transparent Grain Filler**

- #7810 – Clear Filler Pint .....\$18.95
- #7815 - Clear Filler Quart.....\$32.95

**Paste Wood Filler Tools**

- #3010 – Spreader/leveler tool.....\$4.25
- #1134 – Genuine Burlap per yd.....\$4.25

**Pigment Stains**

**Bartley Oil Based Gel Stain**

The company that made Bartley stains ceased production on January 4<sup>th</sup> 2010. Until another manufacturer picks up their formulas, we will sell what we have left in stock.

- #3051 – American Oak Quart.....\$22.95

**General Finishes Oil Based Stains**

**NOTE:** General Oil-based finishes are subject to VOC restrictions and may not be shipped to certain areas.

General Finishes Gel Stains replace the popular Bartley Stains we used to sell. Oil Stains are thinner stains and can be sprayed. Gel stains are better for “layering” color or building applications while penetrating stains are not.

**Gel Stains**

- GF-GSAW – Antique Walnut Qt.....\$25.00
- GF-GSAO – American Oak Qt.....\$25.00
- GF-GSBM – Brown Mahogany Qt.....\$25.00
- GF-GSCL – Candlelite Qt.....\$25.00
- GF-GSCM – Colonial Maple Qt.....\$25.00
- GF-GSGC – Georgian Cherry Qt.....\$25.00
- GF-GSGP – Golden Pine Qt.....\$25.00
- GF-GSJV – Java Qt.....\$25.00
- GF-GSNP – New Pine Qt.....\$25.00
- GF-GSNM – Nutmeg Qt.....\$25.00
- GF-GSPW – Prairie Wheat Qt.....\$25.00

**Rubbing Out Products**

**Dry Polishing Powders**

The traditional method of using polishing powders with a lubricant still finds favor. Typically the finisher starts with 4F pumice after wet-sanding to 600-1000 grit. It’s mixed with Paraffin oil or soapy water to make a paste. After 4F pumice, rottenstone is used to bring up a higher luster if necessary. Wool-lube is a thick soap-like lubricant to be used with water and steel wool to produce a classic hand-rubbed satin finish.

- #3021 – 4F Pumice 1 lb.....\$7.99
- #3023 – Rottenstone 1 lb.....\$7.99
- #6808 – Paraffin Oil pint.....\$12.95
- #3204 – Behlen Wool-lube pint.....\$10.95

**Menzerna Polishing Pastes**

Pastes are the modern way to polish. Our Menzerna pastes are manufactured in Germany and are used by leading musical instrument makers and cabinet shops. The pastes can be used by hand with a rag, but are easier and quicker to use with the Surbuf pads.

- #2555 – #1 Menzerna 2L Pre-Polish 750g.....\$19.75
- #2556 – #2 Menzerna 16 Fine Polish 750g.....\$19.75
- #2557 – #3 Menzerna PO91E Final Polish pt.....\$20.95

**Surbuf Polishing Pads**

- #SUR2 – Surbuf 5½” round pad pkg/2.....\$12.50
- #SUR6 – Surbuf 6” round pad pkg/2.....\$13.50
- #SUR35 – Surbuf 3”x5” pad pkg/4.....\$8.25

**Safety**

**3M Series 5000 Respirator**

The 5000 series from 3M is their economical version of the 7500 series. Still a great fit and a great price!

- #52P71L – 3M Large Respirator.....\$24.00
- #52P71M – 3M Medium Respirator.....\$24.00
- #07914 – Replacement pre-filter box/10.....\$16.00
- #6001 – Replacement cartridge pkg/2.....\$13.00

**Shellac**

**Dry Shellac Flakes**

**Note – Effective 1-2015, we are only able to stock #999 Dewaxed Super Blonde and #1018 Dewaxed Dark Garnet. As other grades become available we will advise.**

**Dewaxed Indian Grades**

*(Natural wax mechanically removed, processed in India)*

- #1018 – Dewaxed Dark Garnet ½ lb.....\$27.50  
1 lb.....\$40.00
- #999 – Dewaxed Super Blonde ½ lb.....\$29.50  
1 lb.....\$42.50

**Shellac Additives**

**Shellac-Wet**

Shellac Wet is a wetting agent (not a retarder) that eliminates a drying defect called “fat-edge” where the shellac rolls up into ridges on edges and sharp corners. Typical amounts are 6-12 drops per pint mixed shellac. Sold in a 2 oz dropper style bottle.

- #7099 – 2 oz bottle.....\$16.00

**Shellac Flat**

Shellac Flat is a silica based flattening agent that lowers the gloss. Made from amorphous silica, isopropyl alcohol and binder. After addition the mixture must be strained through a fine mesh sieve (see Sundries - below) to remove small clumps that are unavoidable in product.

- #7080 – Shellac Flat  
Quart.....\$32.95  
Pint.....\$18.95

**Solvents**

Behlen Bekhol is a low methanol content alcohol for dissolving shellac flakes. Also contains isobutanol to slow drying time down. Behlen Lacquer Thinner is used to reduce the Behlen solvent lacquers. Retarder is used in humid conditions to control blushing.

- #1011 – Bekhol (Denatured Alcohol) Quart.....\$10.25
- #6320 – Lacquer Reducer Quart.....\$13.25
- #6323 – Lacquer Retarder Quart.....\$16.00

**Sundries**

- #1454 – Finishers Color Wheel.....\$21.50
- #1271 – Universal Tack Cloth  
1-9.....\$1.35  
10+.....\$1.10
- #1271CS – Universal Tack Cloth cs/100.....\$95.00

**Touch Up Supplies**

- #LIB161-SS – Retouch Crayons tin/10.....\$31.95
- #MIX13 – Mixol 13 color set.....\$57.90

**TransFast Powdered Dye Stains**

TransFast Powdered dyes are water soluble powders sold in 4 and 8 oz sizes.

Note: TransFast Alcohol soluble powders have been discontinued For current inventory or click

**Wood Tone Colors (see below)**

#6007 – Cordovan	#6028 – Green
#6008 – Brown Mahogany	
#6009 – Dark Vintage Maple	
#6010 – Red Mahogany	

**TransTint Additive for Oil Applications**

Typically we recommend that you not mix TransTint dyes with oil products due to a compatibility issue. We have provided an additive to increase compatibility for our large industrial customers and now we can offer this product to others. TransTint Oil Additive is typically used in the ratio of 2 parts additive to 1 part TransTint dye and mixed together before adding to oil based products. Products with a high degree of mineral spirits require more additive. We do not recommend using this with oil stains, only oil based clear finishes.

#8510/32 – TransTint Oil Additive 32 oz.....\$35.00  
 #8510/16 – TransTint Oil Additive 16 oz.....\$18.95  
 #8510/8 – TransTint Oil Additive 8 oz.....\$12.95

**Universal Tinting Colorants (UTC's)  
 Cal Tint II**

Cal Tint II Colorants are universal tinting colorants, meaning they can be added to waterbased, oil based and solvent based finishes and stains. They are 100% pigment based and are similar to the tints a paint store machine uses when they make your paint. All colors are lightfast and exterior rated when used in appropriate exterior products.

All sizes – 16 oz squeeze dispenser bottle.

## ViviTone Colorants for Waterborne Finishes

Vivitone Colorants are 100% pigment based made specifically for waterborne products. Unlike “universal” colorants they contain no chemicals that can cause problems with waterborne finishes when used in high concentrations. All colors are lightfast and exterior rated when used in appropriate exterior products. This is the same product we use to make our waterborne paints.

## Waxes & Polishes

**Liberon Black Bison Paste Wax**

Made in England, this wax has a distinctively pleasant aroma and is a blend of paraffin, micro-crystalline and carnauba waxes. Use the neutral for no color or on light woods. The colored waxes work best on darker woods and for use on antiques or special effects.

- #2800 – Black Bison Neutral 500 ml.....\$25.00
- #2801 – Black Bison Antique Pine 500 ml.....\$25.00
- #2802 – Black Bison Med. Mahogany 500 ml.....\$25.00
- #2803 – Black Bison Dark Oak 500 ml.....\$25.00

**Antiquax Paste Wax**

Made in England, it's simply the best we've ever used and we have tried them all! Pleasant smell!

- #2045 – Antiquax 250ml can Natural.....\$18.95

**Behlen OZ Polish**

This multi-purpose cleaner/polisher is great for any finish as well as surfaces like plastics and metals. Leaves no residue and has a pleasant lemon scent.

- #2910 – Behlen OZ pt bottle.....\$10.95
